EXPERTISE

Our philosophy has always been focusing on the individual needs of our clients and the unique details that each situation presents. We have attorneys with varying backgrounds and areas of expertise from Probate, Estate Planning, and Guardianship to Family Law and Business Matters to Civil Litigation and Personal Injury.

We are dedicated to providing the highest quality of legal work while maintaining our uncompromising principles. As your needs and life experiences change, we will be there to provide the personal touch necessary to help manage your case.

EXPERIENCE

Our firm was established in 1987 by retired Probate Judge, Joseph E. Ashmore Jr., and his son, Gary Ashmore. Lori Ashmore Peters, Joe's daughter, later joined the firm in 1996.

We have a team of attorneys who work to guarantee that each client receives the benefit of our collective experience. We only take cases that we believe in and which we are willing to fully dedicate our time and resources.

“ We come to you proposing to give nothing but the highest quality to your moments as they pass.”

This phrase captures our philosophy. In fact, that phrase is written in our reception area, allowing anyone who walks into our office the ability to know that attitude and approach we have about our clients. We work hard to provide the legal experience and industry knowledge you need, as well as the personal attention you deserve.

EXCELLENCE

“ In civil law cases the experience and reputation of the firm makes a difference. ”

-Hon. Joesph E. Ashmore, Jr.
Retired Probate Judge

At the Ashmore Law Firm every client gets personal attention. We are committed to providing cost-effective services without compromising our clients' needs. While we offer the same high quality services as many larger firms, our firm is small enough that every client gets our personal attention.

Joe Ashmore wanted to apply his own ethics and values and be able to give the quality of service and personal touch he exhibited thorough his years in business and serving our community as a Judge. He has instilled these qualities in everyone that works at The Ashmore Law Firm, P.C., and with these qualities our reputation continues to grow.
